

FOOD AT "THE SWAN AT NIBLEY"

We care about the quality of the food we serve and this means ensuring we use the best suppliers. **Ian's Greengrocers** in Chipping Sodbury supplies all of our fruit and vegetables, **Moby Nicks Fishmongers** supplies our fresh fish, all of our meat is from the award-winning **Ruby & White Butchery** on Whiteladies Road in Bristol, so you know that when you dine at The Swan you will be enjoying some of the finest meat in the West Country. All our grass-fed beef is from a small number of West Country farms and our poultry is from Castlemead Poultry in Radstock. Using these excellent suppliers assures you of a great quality meal every time you dine with us.

Whilst our main menu is fantastic, the "Specials Board" is where our Head Chef gets all creative, so we would definitely recommend that you have a look at the board before ordering. You may also notice that we have no desserts detailed in our menu. That's because we have an ever-changing selection that we will bring over to show you after your meal, but if you want a sneaky preview, then please just ask!
